Annual Coastal Cruise

By Ed Grant

Each year the San Joaquin Valley Miata Club hosts a ride to the Central Coast and our calendar was open for Jan & I to join in on this fun exploration of the Central valley and the Coastal mountain ranges. Since their departure was from Fresno early on Saturday morning, we drove up on Friday morning with three other cars from SOCALM. Bob & Juli, Doreen and we Grants. In order to make the drive a little bit more fun, Bob suggested we take a slight detour from the boring I-5 (Grapevine), diverting onto the less traveled and much more "Twisty" Castaic Lake road. The lakes were showing the several years of drought but still had a little bit of water near the bottom. We stopped for a good lunch at the "Rock House" in Lake Elizabeth village. Back on the road with full tummies, the roads led us up to Lake Hughes and eventually the Grapevine. Along most of these less traveled by-ways it was obvious that they had some recent rains and minor slides. We had to keep a sharp eye out for the errant rocks for sure. Cruised past Lake Hughes and continued onto the I-5 down the hill to Hwy. 99 and continued on until we reached our hotels in Fresno.

The 30+ cars and people all congregated at the Denny's for breakfast and a simple drivers meeting. The hosts, Jim & Juanita McKee, handed out the general route instructions, having more than adequate "pit stops" along the way. We were told by a SJVMC member that a friend of his was the Chief of Police in Coalinga and that his "Boys" would be looking out for us! Luckily not with their radar guns! After a quick potty-break the group was on its way again. There were a few enthusiasts that took off ahead of the main group, hoping to get some much more spirited driving in before the next scheduled stop. We entered Fort Hunter-Liggett Army Training Base off of the 101 Hwy. and proceeded slowly to our next targeted stop, the Mission San Antonio de Padua. What an amazing place for us all. Here, in the middle of an active military training facility is this beautiful Franciscan mission. It is being renovated and being brought back to its' previous beautiful condition. We were given a very nice tour by the local docent and she was very knowledgeable about the history of this quite active "retreat" center and still viable parish. There was a wonderful lunch provided for all by our hosts the McKee's. A high point for us was being introduced "Rosario" the mission cat, who walked with us through our tour, making lots of new friends along the way!

SOCALM Library

Some of the members may not be aware that SOCALM has a library. There are several reference items available to members for their use. We have factory repair manuals for model years 1990, 91, and 92. An enthusiast manual for the early (1600cc) cars, along with suggested repair times manuals for 1995 cars.

If you are thinking of planning a run, but are a little reluctant because you've never done it before, there is an excellent manual available to walk you through the process. Back issues of Miata Magazine to Winter of 1992 are available. We have a full set of past issues of *The Reward*, thanks to Bill Strohm who donated his collection.

There are also some items that may be helpful, such as 2 portable CB radios for use on runs. A G-Tech meter for measuring acceleration, horsepower and cornering G's. A trunk-mounted luggage rack is available to use on long trips.

★ *These items are here for the use of any SOCALM member in good standing. Just contact the club librarian at librarian@socalm.org to make arrangements if you wish to borrow items you need. Remember to always promptly return any items that you have borrowed.* ★

Presidents Blurb

On Thursday Feb 11th, my mother and I were headed to a day of fun in Hollywood. Sapheda apparently had other plans for us. In heavy street traffic, her idle dropped and she died at every light.

We managed to limp to our destination, only to have a flatbed arrive to pick us up. One awesome canyon tow later (future run!), she was towed to (on the recommendation of SFV rep John Barreiro) Dodge Brothers in Granada Hills.

Tony Dodge is a dying breed of mechanic; reliable, friendly and very honest! The work was done in a timely manner and he even solved the logistical problem of picking up the car by having his mechanic Brian, come pick me up from work on a Saturday.

As some of you may know, we in the SFV, SC Valley and Ventura areas have been on the lookout for a decent mechanic. Well, we now have one. Mention the club for a great rate!

Key Note Article (concl'd) & SJVMC Poker Run

The next leg of our journey took us onto what is known as the Nacimiento-Fergusson Road. This lightly paved trail took us through, up and down some of the most lovely parts of the Los Padres National Forest, leading eventually down to Route 1, just South of Big Sur. From there on, we had one very nice rest stop and then down the remaining 30 miles to Cambria and our lovely lodgings, the Cambria Pines Inn. There were plenty of elephant seals along the way, as is usual this time of the year. Phew!

Now you are all asking yourself 'what was going on with the predicted weather' during this trip? To tell the truth, it really didn't matter! Yes, there was some rain. Yes, we didn't go "topless" that much (Bob Davis was the usual exception). But YES, we all had a fun time driving our Miata's! Due to time restrictions, Jan & I were not able to visit the Hearst Castle or the stop in Cayucos as was planned for the Sunday portion of this ride. Needless to say, we did hit some pretty hard rain and wind on our back to the "The Real O.C.-Irvine". Our new ND was tight as a drum, no drops of water anywhere! This was one of the best runs we have ever experienced! Much thanks to the McKee's and the SJVMC for putting on such a fun event!

May Miata Madness

Apparently, many Miataphiles have enjoyed the 2014 Winter Retreat and the 2015 Spring Fling and, thus, I've been strongly encouraged to host the 2016 May Miata Madness.

This will be a 3 day weekend event (Friday, May 20th thru Sunday, May 22nd) and our base will again be the Embassy Suites in Lompoc. These are 2 room suites and the hotel offers complimentary beverage & snack reception as well as cooked-to-order breakfasts. The lobby area is quite nice and they have a beautiful outdoor atrium and pool area (could well be used in May!). We will have the complete use of the breakfast/meeting room areas for our late evening ukulele sessions, trivia contests, Mexican Train, and relaxing conversations.

I have blocked 50 rooms with a deadline of May 6th..... Please see the calendar for hotel link.

Hotel: Embassy Suites Hotel Lompoc-Central Coast

Group Name: Miata Club

Arrival Date: 20-May-2016

Departure Date: 22-May-2016

If you prefer to call the hotel directly (805-735-8311), please identify yourself as part of the 'Miata Club' to get the group rate (\$119.00/night). If you wish to stay at a less expensive place, there are several hotels within 5 minutes drive.

There are NUMEROUS things to do in the Lompoc area.....create your own winery tour, view the Lompoc valley flower fields, sightsee (shop) in Solvang, Los Olivos, Santa Maria, or Santa Barbara, tour the local mission, take your chances at Chumash Casino, or simply lounge around the pool and visit with friends, old and new.

For those who would like to caravan to Lompoc on Friday, I will depart from the Old Spaghetti Factory in Duarte (Buena Vista exit off of I-210) at 8:30am. There is a gas station and a Carl's Jr. nearby for restrooms, gas, etc. Of course I hope to find some twisties.

There are no specific plans for dinner, etc. for Friday evening, but there are several nice restaurants in the Lompoc-Buellton area. We will likely gather in the breakfast/meeting rooms later that evening for lively conversations, etc.

For those who would like to go on a drive on Saturday, I am preparing a counter-clockwise route around Buellton/Solvang, with a pit stop at the Fess Parker Winery, and returning to the Lompoc/Buellton area for a late lunch on your own and a relaxing afternoon by the pool. There will be a driver's meeting at 9:15am, in the front parking lot, and we'll depart at 9:30am.

I have, again, arranged for a group dinner on Saturday at AJ Spur's in Buellton (350 E. Hwy 246) at 5:30pm. I am assuming that everyone that's registered will attend, unless I receive an email (rmdavis2002@yahoo.com) telling me differently. They will seat us in groups of 4-10 as we arrive at the hostess station and our group will be concentrated in 2-3 dining areas. Afterwards, we'll gather again in the breakfast/meeting room area for games, music, conversation, etc.

There are no specific plans for Sunday. We can discuss on Saturday evening and I'm certain there will be a few interesting drives home available.

Please let other Miata clubs and/or your Miata friends throughout the state know that this is a **WIDE OPEN EVENT.....everyone is welcome!**

And, the ONLY thing that you HAVE to do is ENJOY YOURSELF!

Hosted By: Bob Davis @ rmdavis2002@yahoo.com

Are you ready for our annual run to Julian (actually, Santa Ysabel)? The run will start at Corky's (exit I-15 at Cajalco Road, turn right and another right into the shopping center. We'll drive the back roads to Lake Elsinore, head west of Murietta and Temecula, using De Luz Canyon, of course, and end up in Santa Ysabel for lunch at approximately 1:30-2:00.

Juli & I will be at Corky's at 8am for breakfast (it's a looooong time until lunch). Please feel free to join us there or just arrive for the run. Driver's meeting at 9:25, depart at 9:30.

Hosted By: Bob Davis

Date: 3/20/16 @ 9:15am

Yosemite Retreat

September 15 - 18, 2016

Maybe you've driven through Yosemite but not spent time there or want to spend more time there. Here's your chance.

This is a retreat. You can join us for as much time as you'd like and do whatever you want. Explore Yosemite on your own, visit galleries and shops in Oakhurst and Coarsegold, and/or participate in organized runs.

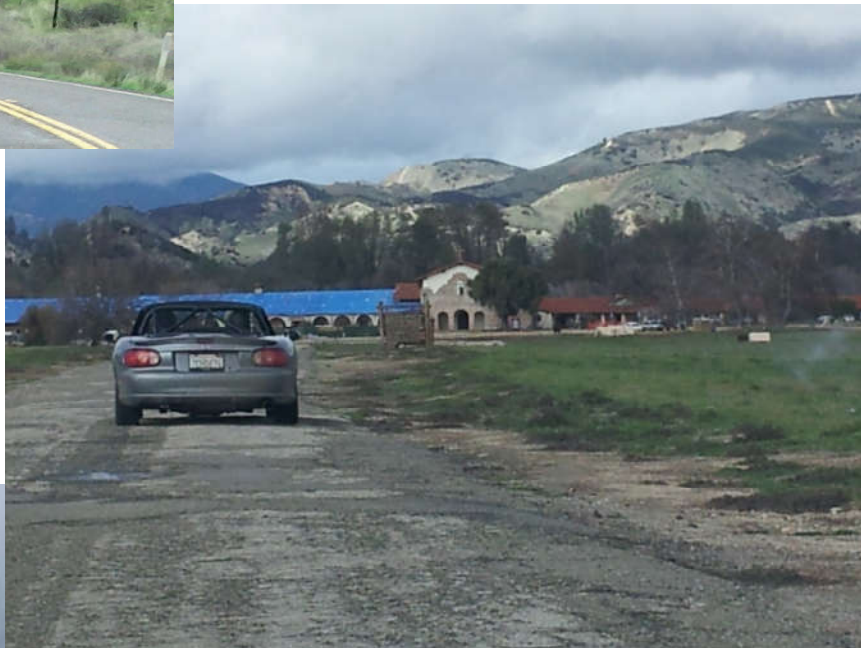

A Friday run will be organized and announced. On Saturday we will drive over Tioga Pass, have lunch at the Whoa Nellie Deli, spend time at the South Tufa at Mono Lake, and return to Oakhurst for dinner.

Our base hotel is the Best Western Yosemite Gateway Inn in Oakhurst. We have a block of rooms on hold under "Miata Club" at \$145/night plus taxes for a double queen, checking in on 9/15 and checking out on 9/18. Please make your reservation directly at (559) 683-2378 before August 15.

We will put together group dinners once we have a count for each evening. Please RSVP to us at lisa.asperger@gmail.com.

Notes from the Editor & Reward Etiquette

Welcome to 2016 Everyone... part deux

As I'm planning to revamp the Reward a bit and bring the development into this century, as the current methods are over 20 years old, and it's been as painful as I remember it was way back then, which is why I didn't use it then.

So, hopefully in April, you'll see a little rebirth of this newsletter, if I'm to continue doing it and not kill anyone. So I'd like to offer everyone the opportunity to speak up with their suggestions and comments for the revamp. Be they for something you'd like to see added, removed, or retained. Just please, keep in mind, like everything else, it's volunteer, so nothing too crazy.

I'd also like suggestions on what you'd like to see for an event cheat sheet, as you see on the last page of the Reward. That little strip there is a pain to do, but I know many of you appreciate it, so I'd like to keep it for everyone. So, thoughts or suggestions please.

Part deux..

So I'd like to reiterate to everyone, if you have anything you'd like to see, or not see, speak up. I've had someone restate the cheat sheet is bad for tablet reading. I know this, which is why I'm asking for your opinions. Something vertical is the solution, as unlike android, you can't lock an apple into portrait mode.

I'd also like to ask everyone, for any info or details, that are currently in the newsletter that are either no longer needed or invalid. I see no use in including info that's either not wanted, or not needed.

You can email: editor@socalm.org , please add "revamp" to the subject line so I know what it's for.

Zoom Zoom! Scott, aka Editor

Reward Submission Etiquette

And now, for something completely different...

Being an editor, or creator/maintainer of a publication can be an aggravating and time consuming thing. Especially when I've not seen any real deadlines or guides for submission or posting of the cumulative content designed to go into it.

With the revamping, I'd like to try making everyone's life a little easier and keep everyone from potentially getting upset about something not being included.

So lets start with a date. As brought up at the Annual Meeting, the 20th of the month will be the deadline date for submissions/postings. That can be keynotes, articles, and calendar events. Calendar events posted after the 20th won't be guaranteed to get included. Keynotes; Membership Details; Financials; Club Info, Must be submitted by the 20th, or this boat doesn't sail because of it. And nobody likes a docked ship.

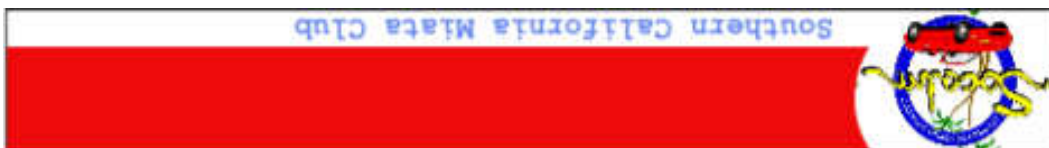

Submitting information. This more or less applies to Keynotes, Articles, and misc Club Info. Please, you can use Notepad, Wordpad, Word, OpenOffice/LibreOffice for the text, just please do **not** add the photos inside the document. Images/Photos can be any format, just please send them as separate attachments, or use Zip/Rar to make them one file.

It would be great if you could add "Reward" to the beginning of the Subject line, but I won't hold anyone to it. It just makes my life a bit easier going thru the email, and that's a good thing.

Much appreciated! Scott, aka Editor | editor@socalm.org
